\$115

PIRATES IN SPACE

M-F JULY 20-24 9-3:30P

Join Captain Carrick's ragtag crew of Space Pirateers as we explore the cosmos! This year we team up with Professor Diggs' Ouroboros Archeological society to decode secret messages, study ancient and alien languages, make steampunk goggles, and marvel at the wonders of space. Time traveling pirates in space? ARR YEAH!

\$165

ZOMBIE QUEST

M-F AUG 10-14 9-3:30P

Huddled in an abandoned warehouse, survivors must work together to build a new life after society have crumbled. We watched all the zombie movies so we thought we knew how to survive, but we were wrong. There is a mutagen that changes everything.

\$165

JEDI SAGA: ENGINE OF SOULS

M-F JULY 6-10 9-3:30P

On distant Durofellor, human colonists and hive-like Apyse work together on fruitful mining operations. In response to distress signals, Jedi have been deployed to investigate. Their subsequent unexplained disappearances weigh heavily on the Jedi Council, calling to action all Jedi in the sector.

\$165

LEGO ROBOTICS

M-F JULY 27-31 9-3:30P

Explore real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface. Learn to design, build, test, and program robots using LEGO MINDSTORMS® technology. Have fun while you apply real-world math and science concepts, learn critical thinking, and build teamwork and communication skills.

\$144

ART MIX: RECYCLE ART SCULPTURES

M-F AUG 17-21 9-3:30P

Piñatas, mask making, terrariums from plastic bottles. The art that you can make from recycled materials is endless. Make castles, model cities and sculptures of fantastical creatures. Camp includes a trip to BRING to get inspiration from their recycled sculpture garden and to pick out elements for your own sculpture.
